

The

of

Kindergarten

### Absence

If your child is ill, please call the office (919-598-0190) and inform us of your child's absence and the reason for it. This is for your child's safety. If a student must leave early for a doctor's appointment, go to the office to sign him out and the secretary will call him to the office. Never send another person to pick up your child without informing me (use our communication log to do this). Please send a note after each absence. Please refer to the student handbook to see our school policy on make up work.

### Attendance

A successful school experience is the responsibility of the child, the parent and the school. Your child's progress, both academically and socially, is influenced to a great extent by daily participation. Regular attendance without tardiness is a key. Please refer to the student handbook to view school policies on tardiness.

## Arrival and Dismissal

Pupils should arrive between 7:40 and 7:55 AM. After 7:55am your child will be tardy. You will need to get a pink slip from the office. 6 tardies =1 absence. Afternoon dismissal is at 3:00 PM from the carline door. Please pick up your child promptly. If you are late, your child will be sent to afterschool. Please let us know if your child will be going to afterschool by indicating this on our communication log.

## Afterschool Clubs

We will not be holding afterschool clubs the first 9 weeks. After that we will evaluate where things stand with Covid and see if we are able to. If we are able to host them, there are various afterschool clubs held throughout the school year. There is usually a small fee to attend each club. Please see our sign up for each afterschool club once you hear they are available.

## Birthdays

Birthdays are special occasions for young children. If you would like to bring in a special treat for the class to celebrate with your child, just let us know in advance and we can put that together! This will need to be a store bought treat.

## Communication Log

We have a daily communication log that is in your child's folder. This will let you know how your child's day went. These must be signed each night and returned in your child's folder the next day. This form also contains important information you will need to know for any special activities or items to bring in. This is our best form of communication to you and from you. Please include any important messages on this form each day.

## Calendar

Please check the school calendar at [www.bcacrusers.org](http://www.bcacrusers.org) for a list of all school events for the school year.

## Conferences

Parent/Teacher conferences are held after school at the end of the first grading period. You will receive your child's report card and we will discuss your child's accomplishments, strengths and overall progress. Please feel free to schedule additional conferences at any time throughout the year if the need arises. Our door is always open to our parents, but we do ask that you not take away from valuable class teaching time by impromptu talks.

## Daily Folder

This folder will be sent home daily. It should be signed and returned each morning. It will contain graded work, work to be finished, notes, newsletters, etc. Any notes from home, field trip money, etc., should be placed in this folder. It is important to read your child's daily communication log in order for us to ensure behavior issues are addressed and the lines of communication are kept open. Please use the communication log to inform the teacher of any appointments, afterschool attendance, etc.

## Discipline

Our classroom is a small community where teamwork and good relationships are expected. We will spend time learning class procedures and practicing them. Each student is expected to act within our standards of behavior. To establish good order and help the children learn self-control, they will be guided to respect themselves and their companions through specific directions, positive reinforcement, suggested new activities and responsible actions.

Our classroom discipline system includes a colored behavior chart. The first time a child breaks a rule, he will be given a verbal reminder. The student will use that time to reflect on whether that behavior was a good

"choice".

Every child will begin the day on green on our Behavior Chart. If the child chooses to break a rule after a verbal reminder, his clip will be changed to yellow. Continued misbehavior will result in the clip changing to red.

Discipline is a private issue between teacher, parent, and child. Our goal is to transform their heart after the heart of Jesus.

The rules, consequences for the color changes, and the rewards for following our rules are listed below.

Rules:

1. I will speak truthful words.
2. I will keep hands, feet, and objects to myself.
3. I will obey sweetly, completely, and quickly.
4. I will always try my best.
5. I will be kind to others.

Consequences:

*First Offense:* A verbal reminder as a warning.

*Second Offense:* Change on behavior chart from green to yellow. Must leave the activity.

*Third Offense:* Change on behavior chart to red. Parents will receive a phone call and/or a note.

At the end of the day, if the student has stayed on green, they will earn a star on the star chart. After the student earns 5 stars they are allowed to take a trip to the prize box. If the class as a whole is doing a fabulous job, class prizes/rewards will be given accordingly. Please take time each day to check and discuss personal behavior charts with your child. These need to be signed and returned every day. If your child has been a remarkable role model for the day, then they can move up the behavior chart to the color purple reflecting that they were a superstar for the day!

## E-mail

You can contact your kindergarten teacher via email: Mrs. Jones [lyndsey18@gmail.com](mailto:lyndsey18@gmail.com) or [lyndsey.jones@bcacrusaders.org](mailto:lyndsey.jones@bcacrusaders.org) and Mrs. McDonald [coral.mcdonald@bcacrusaders.org](mailto:coral.mcdonald@bcacrusaders.org).

For quick questions and information you may text Mrs. Jones at 919-906-2809 or contact me through Bloomz and Mrs. McDonald needs to be contacted through Bloomz.

If you need to discuss something urgently during the school day, please call us at school instead at (919) 598-0190.

## Emergency Card

Parents will be receiving a student information sheet which they will fill out. We will then organize an information sheet for each teachers.If your home or work phone number changes or address, inform the office so you can be located quickly if an emergency occurs.

## Emergency Closings

If school is closed for a snow day or any emergency, it will be announced on television, through our website: [www.bcacrusaders.org](http://www.bcacrusaders.org), and you will receive a phone call with any emergency information.

## Field Trips

Currently we will not be having field trips. If we are able to, they will probably do them in the Spring semester! We will keep you posted on this if we receive any information.

## Fire Drills

Fire drills are held on a monthly basis throughout the year. All students will participate and are expected to walk quickly and quietly to their

designated exit. We will practice and become familiar with procedures before our first scheduled drill.

## Hands-on Learning

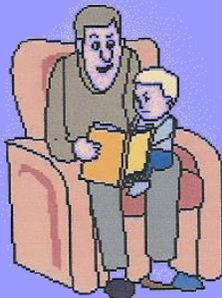

We feel that the best way to help children learn is to make learning fun. Important concepts can be learned by doing meaningful hands-on activities. There are times when seatwork is required and necessary, but for the most part, our classroom will be an active learning environment.

## Health

Please let me know of special circumstances which may affect your child. These could include medication that may make him sleepy, a death in the family, etc. Also, please let me know of any allergies your child may have, especially food allergies. We sometimes cook or do food activities to complement lessons in kindergarten and it would be helpful to know when I plan our recipes.

## Help at Home

Please diligently work on these readiness skills:

- Full name
- Address
- Telephone number
- Parents' names
- Basic colors
- Counting to 10
- Printing first name beginning with a capital letter and the rest in lower case
- Reciting the alphabet
- Shape names
- Birthday (month & date)
- Identifying numbers to 10
- Identifying letter names
- Tying shoes

Your extra help at home really makes a difference!

## Home Reading Program

In September/October, the children will begin an online reading program called Raz Kids. The expectation for Kindergarten is that the students will complete no less than 15 minutes of Raz Kids reading on homework nights. Parents will sign off on the communication log once they've done the reading. Teachers will be able to monitor every student's reading progress through the online reading program. We have learned over the years that parents never regret time spent with their child reading. This is your child's chance to "show-off" their developing reading skills to parents, relatives and friends! Please sign the reading log each reading night.

## Homework

Homework will be sent home on Mondays, Tuesdays, and Thursdays. Your child should complete this work by himself BUT under your supervision, and return it the next school day! Completing and returning homework helps build a sense of responsibility and prepares him for the homework he will have to complete in later school years. Homework should be your child's best work. Throughout the school year you will be asked to memorize sight words, math addition facts 0-10, and special sounds. We cannot stress the importance of your family taking the time to study these each week. It is very easy to fall behind, so read your newsletter each week to stay on top. These will be practiced in class throughout each week and built upon from week to week.

Homework is our chance to partner with you to help you understand where your child is academically. This will provide the opportunity to help your child in areas that they may need assistance.

## Illness

**\*\*PLEASE TAKE NOTE OF ALL COVID 19 GUIDELINES THE SCHOOL PUTS OUT.**

The question of when to keep your child home from school is often a difficult one, especially when decisions must be made first thing in the morning. It is important, however, to keep your child home if he/she is ill. This helps to make them more comfortable and prevents others from

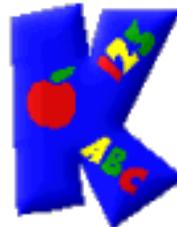

becoming ill. Children function more effectively in the classroom when they are healthy.

**Your child MUST be fever free for 24 hours without Tylenol before returning to school (including vomiting).**

## Independent Reading

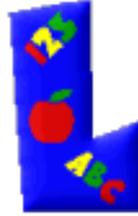

Children learn to read by reading. Therefore; they need plenty of opportunities to read independently. Sufficient time and appropriate materials are necessary to develop and strengthen reading abilities. By giving the children time to read both at school and at home, we can work together to provide a literature-rich environment and a life-long love of reading.

## Kindness

Students in our classroom are encouraged and expected to treat all members of our class as well as others with kindness and respect. Bothering others, bullying and interrupting learning will not be permitted.

## Literacy Centers

During literacy center activities, children practice reading and writing skills while the teacher works with individual children or small guided reading groups. The center activities are designed to strengthen letter/sound knowledge, listening skills, oral language expression, rhyme, letter formation and cooperation.

## Lunch

### **\*PLEASE NOTE ANY CHANGES TO THE LUNCH INFORMATION BASED ON COVID 19 POLICIES!**

Children may bring a packed lunch from home or eat a school lunch. The lunch menu is sent home each Friday with your child's newsletter. Please return on Monday with their order for the week indicating whether they will have hot lunch or bring a bag lunch. You can also find the menu on the school website at [www.bcacrusers.org](http://www.bcacrusers.org). We will not be able to warm up bag lunches, so please keep this in mind when packing!

## Math

The kindergarten mathematics curriculum provides students with mathematical experiences that help them develop number sense and a positive attitude towards mathematics that will continue through their school career and their lives. We employ a hands-on, problem solving approach.

## Morning Procedures

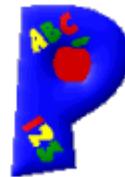

Until further notice, due to COVID 19, Kindergarten students will enter through the Kindergarten back door at the playground. Teachers and assistants will teach students how to unpack each day. Their bookbags will hang on a hook under their name. Their lunch boxes will sit on the shelf above their bookbags. Snacks will go into a basket in the classroom (must be labeled with name) and their daily folder bags will go in the folder bin.

## Newsletter

Our weekly newsletter is sent home on Fridays and will be in your child's Friday Folder. This will keep you informed about what is happening in our class---the skills we are learning, vocabulary words, poems or songs to practice, special activities and upcoming events. It is essential that you read the newsletter so that you may stay well informed.

## Parent Involvement

\*Until COVID 19 guidelines change, we will not be able to have parents in the building. If these guidelines are loosened:  
Your support of school activities makes your child feel important and sends the message that you value school! We are always happy to have your help for special activities in the classroom. I will try to let you know at least a week ahead of time if I need help. Requests for help will be published in our weekly newsletter. I hope that you can come and join in the fun!

## Parties & Celebrations

All celebrations will be coordinated via email and/or sign-up genius. The teacher or the homeroom mom will coordinate with the teacher for all of these special events.

## Playground Procedures

Please review these playground rules and safety procedures with your child:

1. Always follow the directions of the adult on duty.
2. Follow all school rules.
3. Walk to recess and lunch in an orderly manner.
4. Do not jump off any playground equipment.
5. Always make sure you can see the adult on duty.
6. There will be NO Hands On games.
7. Only one person per swing and do not twist it.
8. You may only come down the slide on your bottom facing forward.
9. Mulch stays on the ground-not in hands.
10. Sidewalk chalk stays on the sidewalk-not on the brick walls.

## Questions

Since so many of you are new to BCA this year, I'm sure that you may still have some unanswered questions. Please feel free to contact us.

## Recess

The children will play outdoors each day (unless it is raining or too cold). Please keep this in mind when helping your child to select clothing for the day. If your child is too sick to play outside, he is too sick to come to school.

## Report Cards

Report cards are issued every nine weeks. These reports reflect the progress your child has made toward various kindergarten objectives and uses a grading system that reflects the developmental nature of kindergarten learning. We use continuous assessment in a group as well as per individual.

## Restrooms

Have your child use the restroom shortly before coming to school. Due to COVID 19 we are going to stick to using only our classroom bathroom. We will have designated times where we encourage bathroom use (snack time/after lunch) to lessen instruction interruptions but our bathroom is always available, and they may ask at any time. Please make me aware of any medical problem that might require more frequent restroom trips.

## Room Parents

The room parents' job is to be available for any number of things: to help coordinate parties, activities and any special events; and to help with fundraisers. Being a room parent is a great way to be involved in your child's school life. You may sign up to become a room parent at our Open House (please see school calendar for date).

## Scrapbook

We will scrapbook on the last Friday (or around the last Friday) of each month. At our Open House, each family will have an opportunity to sign up to help with the purchase of scrapbook supplies and picture developing.

## Shared Reading

Shared reading is an interactive process used with the whole class. As the teacher reads a story, children join in on phrases or words that they know. During subsequent re-readings, children read more and more of the text, until they are able to read the story independently. Shared reading is an opportunity for the teacher to model conventions of print and the use of reading strategies.

## Show and Tell

We will let you know via our newsletter when we will have Show-N-Tell.

## Snack

Your children generally get hungry by mid-morning. This should be a healthy snack that is quickly eaten, such as crackers, raisins, apples, cheese sticks, etc. We will not be using water fountains this year, so please bring a water bottle daily.

## Special Snack

We will let you know if we are planning a special snack.

## Teacher Information

If you need to reach me, please contact: Mrs. McDonald [coral.mcdonald@bcacrusaders.org](mailto:coral.mcdonald@bcacrusaders.org) or call at (919) - 598-0190 and Mrs. Jones [lyndsey18@gmail.com](mailto:lyndsey18@gmail.com) or call at (919) 906-2809 until 8:00 p.m.

## T-shirts

Wear your BCA shirt to all field trips, unless we state otherwise or we make a special shirt for the occasion.

## Visitors

\*Due to COVID 19 we currently cannot have visitors and guest in the building. If these policies change and restrictions are lifted, our policy is as follows:

BCA has a policy that ALL GUESTS (including familiar faces) are required to check in at the school office. BCA welcomes and encourages family involvement. It is important to remember that while this may seem inconvenient to frequent visitors, it is the goal and responsibility of the school to create a safe learning environment.

## Website

Our school has a website which can be accessed at [www.bcacrusaders.org](http://www.bcacrusaders.org).

Each classroom has a website also. You can access them at:

Mrs. Jones - [jones.bcacrusaders.org](http://jones.bcacrusaders.org)

Mrs. McDonald - [mcdonald.bcacrusaders.org](http://mcdonald.bcacrusaders.org)

Check in regularly to find information about curriculum, special events, to see pictures and videos, to see resources and get school news.

## Writing

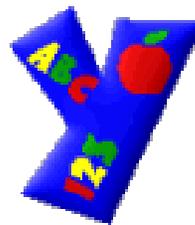

Our writing program builds on what each child already knows. Writing begins with scribbles and proceeds to lines and circles, random strings of letters, words and spaces and eventually sentences. Your children will be encouraged and praised for all attempts and accomplishments in writing. Providing a risk-free environment is paramount to your child's progress in writing. If possible, please provide your child with writing tools, such as pencils, crayons, markers and paper at home.

## eXtra Special

Kindergartners learn that they are eXtra special and unique. Kindergartners have opportunities to describe how they are alike as well as different from others. They share their culture and learn about different cultures within the class.

## Younger Siblings

\*Due to COVID 19 we currently cannot have visitors and guest in the building. If these policies change and restrictions are lifted, our policy is as follows:

It is in your child's and the program's best interest to have our parent volunteers available WITHOUT younger children. This not only allows your full attention to be focused on the class, but also allows for some special time between you and your kindergartner. Thank you for making childcare arrangements for younger siblings. Younger preschool siblings may attend field trips. (Younger siblings may attend class parties.)

## Zzzzs

We will have a rest and relax time for 45 minutes each day after lunch until Christmas break. Students will be allowed to rest their head at their desk space if they are tired, read a book, or do a quiet activity.
