I cannot believe that this week of school is already over! The year will fly by, so let's make every moment count! We had a fun week with our "Chicka Chicka Boom Boom" book and learning about our alphabet. We also had fun becoming Zero the Hero this week and learning how he holds a place and even though he's worth nothing, with other numbers, he can be worth a lot! Thank you for the wonderful letter leaves you made with your kids! They look fabulous hanging on our tree in the classroom. We also had fun learning about each other with our "me bags."
